

THREE-PHASE POWER AUTOTRANSFORMERS

- Compliant with standard **IEC 726**
- Standard voltages **230/400 V**
- Other voltages available on request
- Can be reversed
- Ambient temperature **40 °C**
- Protection rating **IP00**
- Electrical protection rating **I**
- Thermal insulation class **F** or **H**

W fe = no-load losses

W tot = full-load losses

Δv = voltage drop from no-load to full-load
